I made a couple of changes on the nursing slide and the notes below it. I wasn't sure how to save just that slide so I am sending you back the entire power point .....LOL. The new Advanced Practice Coordinator will start October 17<sup>th</sup>. I want to take a group shot of Nursing Service and add that to a slide. I will just send it to you after Lisa starts. Anything else?

This is our current New Employee Orientation presentation. I would like for you to take a look at the slide that is presented for your area and see if you would like to make it more personal, highlight a special project that you feel proud of, put pictures of your employees, etc.

This presentation only last 15 minutes and as you can imagine CFHS has a lot to talk about. So think about that.

I would like your slide changes sent to Connie Hall-Jones by September 7<sup>th</sup>. Thanks, Tina
